Behind what you see, hear and feel during the Nannup Music Festival is a passionate and dedicated team of Staff and volunteer Committee of the Nannup Music Club Inc., the not-for-profit community organisation that runs the Nannup Music Festival.

Among other things, the Committee:

- sets the strategic direction
- has responsibility for financial operations
- ensures compliance with all legal obligations and
- sets relevant policies.

The Committee is always on the lookout for people with suitable interests, experience and/or qualifications to be considered for membership and available portfolios. The Nannup Music Club Inc. primarily exists to run the Nannup Music Festival, so some knowledge and understanding of the Festival is preferable.

Apart from that, we would be interested to hear from people with experience in one or more of the following areas:

- accounting/ finance
- business/ project management
- fundraising
- legal qualifications
- human resource management
- traffic management
- site management/ logistics
- information technology
- hospitality
- the arts

There would need to be a commitment to a monthly meeting as well as working on one or more sub-committees who focus on particular areas of the NMC activities. All meetings are held in Nannup.

Please send some information about your background and interests along with a short CV and possible questions to info@nannupmusicfestival.org

We will acknowledge all enquiries, but please remember that all decisions on Committee membership are at the discretion of the NMC Inc. Committee, keeping in mind an overall mix of skills and experience of Committee members as portfolio vacancies arise.
